 CAKE & MUFFIN**

- ★ HIGH VERSATILITY
- ★ SOFT AND OPEN STRUCTURE
- ★ HOLDS INCLUSIONS WELL
- ★ INTENSE CHOCOLATE TASTE
- ★ STRONG AND REGULAR DARK COLOUR

The Mug Cake is making its way

Consumer studies have revealed that consumers like to reach for products that can be quickly and easily integrated into their busy day. Isn't it incredibly convenient to have such an indulgent warm dessert in less than 2 minutes, that is ready to serve and can be easily baked in batches of just one or two?

Tips & Recipes

- Choose the right mug – microwave-safe and also large enough to allow the cake to rise without overflowing during baking
- Experiment with your oven as each microwave is different.
- Once out of microwave, serve the cake right away so that the customers can experience the warm and sweet smelling cake themselves!

MUG CAKE

PREPARATION

Fill approx. 70 g of muffin batter into each mug (150 ml).
 Inject approx. 8 g **Meister Nusetta** into each mug.

Place the cups into the microwave oven and heat for 30–60 sec.
 at 800 watt.

Baking time: approx. 1 minute

INGREDIENTS

Muffin batter dark made from
